Concertgebouworkest Young 2023  
10 until 27 August 2023

Concertgebouworkest Young is the international youth orchestra of the Concertgebouworkest. Made up of young, talented musicians **aged 14 to 17** from all over Europe, Young truly reflects the diversity of European society.

Concertgebouworkest Young 2023 will take place from 10 until 27 Augustus 2023, for which we will need the following instruments:

**Violin, viola, cello, double bass**  
**Flute, piccolo, oboe, English horn, clarinet, bass clarinet, bassoon, contrabassoon, saxophone**  
**Horn, trumpet, trombone, tuba**  
**Timpani, percussion, piano, harp**

The aim of Concertgebouworkest Young is to showcase those with hidden talent – young musicians who could use a little extra support and who have lacked visibility in the orchestras of Europe.

The Young summer school offers these youngsters an intensive programme including orchestral and sectional rehearsals, as well as chamber music coachings and masterclasses – all under the supervision of musicians from the Concertgebouworkest.

The combination of these musical components with a United World Colleges programme is unique. Professional trainers guide the youngsters in a curriculum focusing on personal growth, democracy and ambassadorship.

The programme culminates in concerts performed by the youth orchestra under the baton of a world-renowned conductor at the Concertgebouw and in one other concert hall.
